

Metinvest opens new metal center in Lviv

Metinvest, an international vertically-integrated mining and steel group of Companies, keeps on expanding its distribution network within strategy and tasks targeted on timely and successful fulfillment of clients' demands. Metinvest SMC has opened new metal center in Lviv. The new and only company's metal center will allow to become closer to the end customers in Western Ukraine.

The full assortment of steel products shall always be in the stock: rebar, flat products, pipes, channels, wire rod, beams, angles and other products of Metinvest's mills. New SMC will provide for successful orders' kitting and also, due to favorable geographic location, will assure best logistics and service for regional customers.

In 2011 Metinvest-SMC opened 2 new metal centers – in Mariupol and Lviv.

Albert Avanesov, General Director of Metinvest-SMC, noted: « We always analyze our customer's demands and strive to provide the widest possible range of products, high-quality service and effective logistics. We are sure, that new metal center in Lviv will allow us to have a more fruitful cooperation with our customers in the Western region of the country, and also win new clients.».
