

Metinvest reports on official sources of information about company operations

Metinvest Group explains where to find official information about the latest updates on the company.

Apart from the News section on the

[main website of the Group](#)

, one can also get daily updates about the company's facilities and the current situation in Ukraine in a special news report on

[Metinvest Media](#)

news portal.

It provides information on the status of our enterprises and humanitarian aid being provided. The portal publishes current news from Rinat Akhmetov's Foundation, provides advice on first aid, and gathers contacts for official information on the developments in cities and the country.

Our Telegram channel publishes all of our latest news here: t.me/metinvest
